President/Founder  
The Attractive Thinker LLC

Dear Dr. Hatton,

I wanted to take this opportunity to thank you for joining me as a guest speaker at the Virtual Vision Board online event that was hosted by the Mind Your Vision division of Moore of Rachel Enterprise.

Your inspiring message gave our viewers an insight to understanding the importance of having mental focus and clarity, which is necessary to achieving any goal, dream or aspiration.

Through the sharing of your personal story of victory, others could relate and be empowered to believe in the attainment of their own vision.

Thank you Dr. Hatton once again for being one of the speakers within our Speaker Line up during the Mind Your Vision - Virtual Vision Board Party. This letter sends my regards to others inquiring about your expertise and recommends you as a speaker on other platforms.

Sincerely,

*Rachel Moore*
